

Manual Double Swivel Head Mitering

The Cosen Manual Series Band Saw comes equipped with manual vise and adjustable hydraulic down feed(except MH-270M/MH-210M). It is an ideal tool for the small to medium machine shop, maintenance shop, metal fabricating shop, school, and limited run production work. It is a great machine for cutting solids, square, round, rectangle and tubing material. Its solid construction ensures many years of reliability and accuracy at a high level of performance.
